The Project of Autonomy: Politics and Architecture within ...

The Project of Autonomy: Politics and Architecture Within and Against Capitalism. Autonomia was an Italian new social movement of the mid-to late-1970s that combined several single-issue activist groups into one movement united by a shared belief in maintaining their autonomy from the state. In The Project of Autonomy, architect and educator Pier Vittorio Aureli traces the influence of autonomia on architectural thinking.

Project of Autonomy: Politics and Architecture Within and ...

The Project of Autonomy is not simply envisaged as an historical exploration of the 1960s; primarily, it is conceived as an intervention in current architectural theory (and cultural politics), drawing on the author's interest in Tronti's politics to challenge the contemporary popularity of a broadly post-Negrian 'autonomism'.

The Project of Autonomy: Politics and Architecture Within ...

The Project of Autonomy radically rediscusses the concept of autonomy in politics and architecture by tracing a concise and polemical argument about its history in Italy in the 1960s and early 1970s. Architect and educator Pier Vittorio Aureli analyzes the position of the Operaismo movement, formed by a group of intellectuals that produced a powerful and rigorous critique of capitalism and its intersections with two of the most radical architectural-urban theories of the day: Aldo Rossi's ...

There are many reasons for this lack of autonomy: company politics, management style and team organization to name a few. Even the educational system factors in. There is, however, one management paradigm that perpetuates the lack of authority and autonomy: hierarchy. Organizations have been almost universally built on strict hierarchies ...

28-09-2020. In confronting the EU with an unprecedented crisis, the coronavirus outbreak is testing the bloc's unity, but may also accelerate the construction of EU strategic autonomy, as the roadmap for recovery is implemented. Political will, still in the making, and the capacity to act are key prerequisites for achieving effective European strategic autonomy.
