The Remains of the Day (1993) cast and crew credits, including actors, actresses, directors, writers and more.

The Remains of the Day (1993) - Full Cast & Crew - IMDb

The Remains of the Day is a book about a thwarted life. It's about how class conditioning can turn you into your own worst enemy, making you complicit in your own subservience.

The Remains of the Day by Kazuo Ishiguro – a subtle ...

If the first chapter of Remains of the Day set up the narrative frame for the novel - namely Stevens' trip to West England, then this second chapter sets up the figurative and thematic frames. Here, Stevens ruminates on what it is that makes a great butler - what separates one from the masses that populate the history of the profession.

A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the countryside - and into his past.

The Remains of the Day Audiobook | Kazuo Ishiguro ...

The Remains Of The Day A U film should be suitable for audiences aged four years and over, although it is impossible to predict what might upset any particular child. U films should be set within a positive framework and should offer reassuring counterbalances to any violence, threat or horror. If a work is particularly suitable for pre-school children, this will be indicated in the ratings ...

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel-winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

*Kazuo Ishiguro's new novel *Klara and the Sun* is now available to preorder* From the Nobel Prize-winning author of *Never Let Me Go* Winner of the Booker Prize ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past.

Kazuo Ishiguro's Booker Prize-winning masterpiece became an international bestseller on publication, was adapted into an award-winning film, and has since come to be regarded as a modern classic. *The Remains of the Day* is a spellbinding portrayal of a vanished way of life and a haunting meditation on the high cost of duty. It is also one of the most subtle, sad and humorous love stories ever written. It is the summer of 1956, when Stevens, a man who has dedicated himself to his career as a perfect butler in the one-time great house of Darlington Hall, sets off on a holiday that will take him deep into the English countryside and, unexpectedly, into his own past, especially his friendship with the housekeeper, Miss Kenton. As memories surface of his lifetime "in service" to Lord Darlington, and of his life between the wars, when the fate of the continent seemed to lie in the hands of a few men, he finds himself confronting the dark undercurrent beneath the carefully run world of his employer.

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* In the face of the misery in his homeland, the artist Masuji Ono was unwilling to devote his art solely to the celebration of physical beauty. Instead, he put his work in the service of the imperialist movement that led Japan into World War II. Now, as the mature Ono struggles through the aftermath of that war, his memories of his youth and of the "floating world"--the nocturnal world of pleasure, entertainment, and drink--offer him both escape and redemption, even as they punish him for betraying his early promise. Indicted by society for its defeat and reviled for his past aesthetics, he relives the passage through his personal history that makes him both a hero and a coward but, above all, a human being.

A Study Guide for Kazuo Ishiguro's "The Remains of the Day," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* Here is the story of Etsuko, a Japanese woman now living alone in England, dwelling on the recent suicide of her daughter. In a novel where past and present confuse, she relives scenes of Japan's devastation in the wake of World War II.

NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA Book Club Pick! A magnificent new novel from the Nobel laureate Kazuo Ishiguro--author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*. *Klara and the Sun*, the first novel by Kazuo Ishiguro since he was awarded the Nobel Prize in Literature, tells the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. *Klara and the Sun* is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love? In its award citation in 2017, the Nobel committee described Ishiguro's books as "novels of great emotional force" and said he has "uncovered the abyss beneath our illusory sense of connection with the world."

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

From the universally acclaimed author of *The Remains of the Day* comes a mesmerizing novel of completely unexpected mood and matter--a seamless, fictional universe, both wholly unrecognizable and familiar. When the public, day-to-day reality of a renowned pianist takes on a life of its own, he finds himself traversing landscapes that are by turns eerie, comical, and strangely malleable.
