Success Principle # 1: Definiteness of purpose □ you need to know what you want. Sounds simple. Do you know what you want? Having clarity on what you want and what your goals are will create a success consciousness. Decide on a major goal in your life professional or personal. How much time will it take for you to achieve this? Is it attainable?

Success is not something that only a chosen few can achieve.  
Everyone can be successful in every area of his or her life. You just  
need to know how to do things in such a way as to make sure you  
succeed every time. Success comes as a result of forming certain  
habits, and continuing in them. Consistency is key.
