Classroom observation is a main approach of teaching research. Scholars or researchers use video to record the real whole class and observe the teachers and students' actions, words and the efficiency in the class. Though the observation, they analyze what approach is more suitable. This paper will select video 5 and video 3 as the material to do the classroom observation.

Classroom Observation Essay | Bartleby

Instructions: Spend some time simply observing the classroom before recording. Use the checkboxes to note when you observe specific indicators. Focus on the experiences of individual children, not just a general sense of the classroom overall. Note evidence as to whether the criterion is being met or not.
