facilities worldwide, Liker, along with Timothy N. Ogden, investigated the inside story of how Toyota faced the challenges of the recession and the recall crisis of 2009 – 2010. In both cases, the company was caught off guard—and found that a root cause of the challenges it faced was its failure to live up to its own principles. But

thrive in a crisis, no matter how large:
Crisis response must start by building a
strong culture long before the crisis hits.
Culture matters far more than decisions
made by top executives. Investing in
people, even in the depths of a recession, is
the surest path to long-term profitability.
Because it had founded its culture on such
