from the Bucegi Sphinx chamber to a similar chamber beneath Giza where a time travel device is found.

Radu Cinamar's sixth book is about his continued liaison with the Inner Earth civilization Apellos where he views certain key aspects of the history of Mankind by viewing holographic projections which are facilitated by a headset he wears featuring advanced technology that is able to interact with his cerebral cortex and intuition. The result is a compelling tale of how multiple extraterrestrial civilization influenced and steered the DNA of Mankind to evolve as well as the accompanying history which includes a description of ancient civilizations such as Atlantis, the building of the pyramids, the Egyptian Sphinx, Hyperborea and other interesting mysteries.

In this exhilarating description of mysteries inside the Earth, Radu Cinamar presents a unique way to penetrate the Inner Earth through the process of feeling and the effects that will develop from such an experience. To enhance the readers understanding of this very guarded subject, this book includes multiple illustrations that include depictions of Inner Earth geography. Familiar characters from the Transylvania Series also reappear, including the enigmatic Tibetan lama, Repa Sundhi, also known as Dr Xien, who states: If someone had a

device or machine that could start up and go everywhere they want, especially towards the centre of the Earth, the machine would be blocked and stop at a certain point because of the frequency of vibration to be found there. Just how far you can go with such a machine can be limited by reason of your own con- sciousness which can in and of itself restrict the dimensional range of such a device or the extent to which it can penetrate other realms. This applies to both human beings as well as material objects. Your ability to access such a region is determined by what your own individual frequency of con- sciousness can or will allow you to experience. This is not only the story of an exciting adventure, it is an opportunity for initiation as you explore the frequencies of your own inner nature.

THE ETHERIC CRYSTAL - THE THIRD TUNNEL concludes both a numerological cycle (cycle 7) and offers the mystery of the last tunnel in the chamber beneath the (Romanian) sphinx, left unexplored by the author until 2015. After their expedition, this volume makes a very interesting turn, directing Radu to spawn special project which attracts a unique collaboration of characters, both from the underground city of Apellos but also with the American side. Also, for the first time in almost 14 years, Radu Cinamar offers us some additional conversations and collaboration with the enigmatic Elinor,

the quintessential alchemist, who becomes deeply involved with the new project. The book also presents a key piece of information, long debated and considered until now an unsolved mystery, which refers to the real origin of the Moon. Everything is explained in chronological detail, following up on the elements about the origin of man presented in the previous volume, *Forgotten Genesis*. *THE ETHERIC CRYSTAL* is full of fascinating information that opens the horizons of our knowledge and of our individual evolution.

The highly anticipated, mind-blowing New York Times bestselling sequel to Kiersten White's New York Times bestseller, *AND I DARKEN*—the series that reads like HBO's *Game of Thrones* . . . if it were set in the Ottoman Empire. *A SISTER FILLED WITH RAGE* Lada Dracul has no allies. No crown. All she has is what she's always had: herself. After failing to secure the Wallachian throne, Lada is out to punish anyone who dares cross her. She storms the countryside with her men, but brute force isn't getting Lada what she wants. And thinking of Mehmed, the defiant Ottoman sultan, brings little comfort to her thorny heart. There's no time to wonder whether he still thinks about her, even loves her. She left him before he could leave her. *HER BROTHER CAUGHT IN THE CROSSHAIRS* Lada needs the support of her diplomatic younger brother, Radu. But Mehmed has sent him to Constantinople—and it's no

diplomatic mission. Mehmed wants control of the city, and Radu has earned an unwanted place as a double-crossing spy behind enemy lines. And for the first time in his life, when Lada asks him for help, he refuses . . . leading his sister to make the darkest of choices. THE ULTIMATE POWER PLAY Torn between loyalties to faith, to the Ottomans, and to Mehmed, Radu knows he owes Lada nothing. If she dies, he could never forgive himself—but if he fails in Constantinople, would Mehmed ever forgive him? As nations fall around them, the Dracul siblings must decide: what will they sacrifice to fulfill their destinies? Empires will topple, thrones will be won . . . and souls will be lost. Fans of Victoria Aveyard's THE RED QUEEN and Sabaa Tahir's A TORCH AGAINST THE NIGHT won't want to miss this riveting and gorgeously written novel—the second in the And I Darken series. ? This collection examines the historical development of society’s relationship to the environment in Central and Southeastern Europe. The contributors analyze the growth of environmental consciousness since the eighteenth century, the inception of environmental history as an academic discipline, and the rise of environmental movements in the region.

An adventure in consciousness that reveals a vast array of new information. From the German flying saucer programme to the SS mission in Tibet, we are led on a path that gives us the most insightful look ever into the Third Reich and the holy relics they sought in their ultimate quest: the ark of the covenant and the holy grail. Going beyond the spear of destiny and other attempts to unlock the mysterious occultism of the Nazis, Peter Moon peers into the lab of the ancient alchemists and their white powered gold in order to explain the secret meaning behind the Egyptian and Tibetan 'Books of the Dead'.

Can you recall an instance when you were introduced to something—anything—that rocked your world, leaving you with a vague but undeniable certainty that you'd touched into the miraculous? For both Bodie McCoy and his wife Barbara, that instance came with the introduction of the Lord's Prayer into their young lives.' Live the Promise is their book about the relationship of the Lord's Prayer to the world's major mystical and religious traditions and its magical, mystical, ultra-light and yet entirely down-to-earth power to take us to the ultimate seat of wisdom within. Live the Promise begins with Bodie's heart-centered story of his own spiritual unfolding. From there, it leads into the creation of a game that opens people to deeper levels of inner truth by exposing some of the limitations they've accepted—with a game board Bodie intuitively created that turned out to embody the star tetrahedron, the flower of life as well as sacred symbols from many ancient teachings. And the story continues, with a journey to ancient Mayan temples with Hunbatz Men...
