New York Times bestselling author Gena Showalter begins a dark, sexy new series—Rise of the Warlords—with a fan-favorite character from her beloved Lords of the Underworld series, Taliyah Skyhawk. The ice maiden faces off with her greatest enemy, a villain brutal beyond imagining. For centuries, Taliyah Skyhawk has prepared to become Harpy General, leader of the deadliest female army in existence. One of the requirements? Remain a virgin. But, for a chance to save her people, she must wed the fearless leader of the Astra Planeta, Alaroc Phaethon. The time has come for Roc to sacrifice another virgin bride to his god. There has never been a woman alluring enough to tempt him from his path. No warrioress powerful enough to overcome his incredible strength. No enchantress desirable enough to make him burn beyond reason. Until now. With the clock ticking, war between husband and wife ignites. Except Taliyah never expected the merciless king to challenge the future she once envisioned. She certainly never anticipated the thrill of their battles turning into games... The problem is, only one spouse can survive. Love is a battlefield in Showalter's The Warlord. Don't Miss The Immortal, the second dark and sexy book in Gena Showalter's Rise of the Warlords series, featuring a cold and merciless assassin and a stubborn harpy warrior, both forced to relive the same day over and over in the hopes of saving her life.

From a new dawn, a Warlord rises. After the Battle of Tar'eastór, the Great Forest waits for the one the Silvans claim as their Warlord. With his past unveiled and his future destiny clear, Fel'annár and The Company journey home together with Prince Handir and Gor'sadén, the commander Fel'annár has named father. With documents that incriminate the enemy, they must travel in secret to protect their treasure and Fel'annár from those who seek to kill him. Meanwhile, the forest king struggles to maintain his throne under the final onslaught of Band'orán and his Alpine purists. Raging rivers and treacherous cliffs. A perilous sea and ruthless assassins await Fel'annár and The Company as they approach a forest on the verge of civil war. Can they make it in time for the final showdown? Can the crown prince hold the enemy at bay? Long enough for the return of his brother? For the return of the Warlord? Book IV of The Silvan Saga.

Build your kingdom - Destroy your enemies What would you do if you woke up in a strange land? What if you had no idea why? Would you fight, or would you curl up into a ball and cry? What if your fate was sealed by a booming announcement that cracked across the vast blue skies? "Greetings, welcome to The Land of The Lesser men. You have arrived in the nick of time. War looms, its dire thunderheads crowding our once glorious sky. This land needs a strong hand such as yours. A hundred must battle for victory, and at the end, there can be only one." You've played the games, now read the book! For Connor O'Grady this nightmare comes true. He wakes in a land and is propelled into an age called Legendary, where he has to fight his way up from nothing, literally nothing, not even a pair of pants. He must learn to survive, to fight, and to enlist the help of others in order to build a civilization capable of winning. Because there is no other option. This is a LitRPG - Civ building fantasy tale and includes progression stats and settlement stats. For lovers of 4X strategy MMORPG civilization building games who enjoy a tale woven in the lands they spend far too much time in. Warning: Contains curse words. Book 2 is currently in edit.

From being a priest in the kingdom of darkness to an evangelist in the kingdom of light—this true story will shock and amaze you! Jesus Christ appeared to Joshua Blahyi as a blinding light and told him that he would die unless he repented of his sins. Joshua Blahyi grew up in Africa, became a powerful pagan priest in a local tribe, and then became one of the most feared warlords in Liberia. Under demonic influence, General Butt Naked fought and killed while he was naked; he personally sacrificed men, women, and babies, and forced children to abandon their families and fight with him. Then, in a radical transformation like that of Paul on the road to Damascus, Joshua met Jesus face to face. His mission now is to reach out to others who are under evil's delusions and reform the lives of his former soldiers, enemies of Jesus Christ, and anyone in need of hope and love. Joshua Blahyi's incredible story has been told in documentaries on PBS, CNN, BBC, and other media including the New York Times. His story appeals to everyone interested in foreign affairs, Africa's mysterious spiritual culture, civil wars, Christianity, and child soldiers.

Alistair had no choice... ..and now the Commonwealth hunts him. But are they the only threat? When the Rebels escaped through the portal, the planet they chose seemed like the perfect place to hide. Shrouded in flames, with underground caves and passages, Alistair knew it would give them a chance to regroup. He was wrong. What or who is this dark force that hunts them? As Dreadnaughts narrow their search and come closer to the planet called Phoenix, it has become clear that their options are limited. Caught between two threats, Alistair knows only one thing: The Commonwealth never forgets or

forgives. What is his next move? You'll love this second installment in The Great Insurrection series, because the stakes have grown and only a brilliant gamble can save them. Get it now.

Born the bastard daughter of a painted lady, Marilia was told she would live out her days within the walls of her mother's brothel, a companion for the rich men of Tyrace. But after a terrible loss and a shocking act of betrayal, Marilia's world turns upside down. With the help of her twin brother, Annuweth, she flees the only home she's ever known in search of the one man who can offer her a chance at a better life—the friend of her deceased father, the commander of the Emperor of Navessea's finest knights. What follows is a journey spanning years, from the streets of the desert city of Tyracium to the splendor of the emperor's keep and the wind-swept, wild island of Svartennos. Along the way, Marilia discovers her true passion, a gift inherited from her father: an uncanny knack for the games of war and strategy that Navessean noble-men play, but which are forbidden to women like her. When the empire is threatened by a foreign invasion, the defense of Navessea is left in the hands of a cruel and arrogant general no match for their enemy. With the fate of her new home and her family hanging in the balance, Marilia swears to use all her courage and cunning to do whatever she can to help repel the invasion—if she can convince anyone to follow her. The struggle that follows will test her to her core and lead her back to the past she thought she had escaped. Facing treachery within her own ranks as well as a devious enemy commander, Marilia will need all the help she can get—even if it means turning to the one person she hoped not to ever need again: her estranged twin brother. Inspired by The Song of Achilles and Ender's Game, Marilia, the Warlord is a blend of the epic and the personal, a story of romance, envy, the rivalry between brother and sister, and one woman's painful discovery that her childhood dreams weren't quite what she imagined.

The Last Warlord tells the story of the brotherhood forged in the mountains of Afghanistan between elite American Green Berets and Dostum that is told in the movie 12 Strong: The Declassified True Story of the Horsesoldiers The Last Warlord tells the spellbinding story of the legendary Afghan warlord Abdul Rashid Dostum, a larger-than-life figure who guided US Special Forces to victory over the Taliban after 9/11. Having gained unprecedented access to General Dostum and his family and subcommanders, as well as local chieftains, mullahs, elders, Taliban prisoners, and women's rights activists, scholar Brian Glyn Williams paints a fascinating portrait of this Northern Alliance Uzbek commander who has been shrouded in mystery and contradicting hearsay. In contrast to sensational media accounts that have mythologized the "bear of a man with a gruff laugh" who "some Uzbeks swear, has on occasion frightened people to death," Williams carefully chronicles Dostum's rise from peasant villager to Uzbek leader and skilled strategist who has fought a long and bitter war against the Taliban and Al Qaeda fanatics that have sought to repress his people. Also revealed is Dostum's surprising history as a defender of women's rights and religious moderation. In riveting detail The Last Warlord spotlights the crucial Afghan contribution to Operation Enduring Freedom: how the CIA contacted the mysterious warrior Dostum to help US Special Forces wage a covert war in the mountains of Afghanistan, how respect and even friendship quickly grew between the Afghan and American fighting men, and how Dostum led his nomadic people charging into war the same way his ancestors had—on horseback. The result was one of the most decisive campaigns in the entire war on terror. The Last Warlord shows that, far from serving as an exotic backdrop for American heroics, it was these horse-mounted descendents of the Mongol warrior Genghis Khan that allowed the American military to overthrow the Taliban regime in a matter of weeks. .

The red guy. Again. Emry thought she was done with alien Romeos who made promises and then ditched you, but their paths continued to cross. What's a girl to do when the same guy keeps turning up like a bad penny? Steal his ship. Four years ago, Ren sent his away and regretted it every day. Now fate

has given him a second chance. He won't let her run away. The chase is on.

"Applaud for Klawde. Two paws up!"--Dav Pilkey, creator of the Dog Man series. "Funny, savage, and brilliant, Klawde is the pet I wish I had."--Max Brallier, author of the New York Times Best Seller The Last Kids on Earth Klawde is not your basic cat. He's an emperor from another planet, exiled to Earth. He's cruel. He's cunning. He's brilliant... and he's also Raj Banerjee's best friend. Klawde and Raj are back! As summer turns to fall, our favorite warlord cat remains in his pitiful exiled existence. But Raj has an even scarier prospect than cosmic exile: starting at a new school. And if things didn't seem complicated enough, both cat and human are confronted with two figures from their past they did not expect to pop up in Elba, Oregon... Heavily illustrated, with a hilarious, biting voice that switches between Raj's and Klawde's perspectives, this is the story of an unlikely friendship that emerges as two fish out of water continue to find their footing in strange new worlds.
