Thomas Cromwell aka 'Cremuel' aka 'Crumb' aka 'he, Cromwell' aka... 'he'. The upjumped blacksmith's boy, now Master Secretary, is newly elevated to Baron as *The Mirror & The Light* kicks off, a reward for his part in disposing of Anne Boleyn.

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power. England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

Winner of the 2012 Man Booker Prize Winner of the 2012 Costa Book of the Year Award The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, *Wolf Hall* delves into the heart of Tudor history with the downfall of Anne Boleyn. Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her

powerful family will not yield without a ferocious struggle. Hilary Mantel's *Bring Up the Bodies* follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? *Bring Up the Bodies* is one of *The New York Times*' 10 Best Books of 2012, one of *Publishers Weekly*'s Top 10 Best Books of 2012 and one of *The Washington Post*'s 10 Best Books of 2012

Assuming the power recently lost by the disgraced Cardinal Wolsey, Thomas Cromwell counsels a mercurial Henry VIII on the latter's efforts to marry Anne Boleyn against the wishes of Rome and many of his people, a successful endeavor that comes with a dangerous price. The brilliant #1 *New York Times* bestseller Named a best book of 2020 by *The New York Times*, *The Washington Post*, *TIME*, *The Guardian*, and many more With *The Mirror & the Light*, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, *Wolf Hall* and *Bring Up the Bodies*. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith's son from Putney emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, *The Mirror & the Light* completes Cromwell's journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age.

Hilary Mantel's *Wolf Hall* trilogy is like a sixteenth-century tapestry: we all wonder at its beauty and skill, but many will want to turn it over and distinguish between the fictional warp and the historical weave. For those curious minds, Lauren Mackay's learned, eminently readable, and gorgeously illustrated *Wolf Hall Companion* neatly helps pick apart the threads.

Winners of the Man Booker Prize and hugely successful stage plays in London's West End and on Broadway, *Wolf Hall* and *Bring Up the Bodies* bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece. Hilary Mantel's Thomas Cromwell novels are the most formidable literary achievements of recent times. *Wolf Hall* begins in England in 1527. England is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition. *Bring Up the Bodies* unlocks the darkly glittering court of Henry VIII, where Thomas Cromwell is now chief minister. Henry is disenchanted with Anne Boleyn and has fixed his eye on the demure Jane Seymour. Anne has failed to give England an heir and rumors of her infidelity creep through the court. Over a few terrifying weeks, to dislodge her from her throne, Cromwell ensnares Anne in a web of conspiracy—acting to save his life, serve his king and secure his position. But from the bloody theater of the queen's final days, no one will emerge unscathed.

Hailed as a "writer of subtlety and depth," Hilary Mantel turns her dark genius on the world of psychics in this smart, unsettling novel (Joyce Carol Oates) A paragon of efficiency, Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine. After a sobering, do-it-yourself divorce, Colette is at a loss for what to do next. Convinced that she is due an out-of-hand, life-affirming revelation, she strays into the realm of psychics and clairvoyants, hungry for a whisper to set her off in the right direction. At a psychic fair in Windsor she meets the charismatic Alison. Alison, the daughter of a prostitute, beleaguered during her childhood by the pressures of her connection to the spiritual world, lives in a different kind of solitude. She cannot escape the dead who speak to her, least of all the constant presence of Morris, her low-life spiritual guide. An expansive presence onstage, Alison at once feels her bond with Colette, inviting her to join her on the road as her personal assistant and companion. Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist. It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever. This is Hilary Mantel at her finest- insightful, darkly comic, unorthodox, and thrilling to read.

The New York Times bestselling collection, from the Man Booker prize-winner for *Wolf Hall* and *Bring Up the Bodies*, that has been called "scintillating" (New York Times Books Review), "breathtaking" (NPR), "exquisite" (The Chicago Tribune) and "otherworldly" (Washington Post). fracture, of whimsical infidelities and sudden deaths with sinister causes, brilliantly unsettle the reader in that unmistakably Mantel way. Cutting to the core of human experience, Mantel brutally and acutely writes about marriage, class, family, and sex. Unpredictable, diverse, and sometimes shocking, *The Assassination of Margaret Thatcher* displays a magnificent writer at the peak of her powers.

Set during the French Revolution, this "riveting historical novel" ("The New Yorker") is the story of three young provincials who together helped destroy a way of life and, in the process, destroyed themselves.
